Re: **Equipment /Labor Bids 2013/14**

Hello Board:

In accordance with our Advertisement of April 17, Bids for the Village of Wappingers Falls Equipment/ Labor rental rates for fiscal year 2013/14 were opened on Wednesday May 1, 2013. The results were as follows:

<b><u>Tri-Axle Dump Truck:</u></b>	Sun Up Enterprises \$ 126.00/hr.	Pioneer Blacktop – \$ 95.00.
<b><u>Pipeline Crew:</u></b>	Sun Up Enterprises - \$ 564.00/hr.	Pioneer Blacktop – no bid.
<b><u>Paving Crew:</u></b>	Sun Up Enterprises - \$ 682.00/hr.	Pioneer Blacktop – no bid.
<b><u>Alternate Items:</u></b>	Sun Up Enterprises – see bid.	Pioneer Blacktop – no bid.

Pioneer Blacktopping was the low Tri-Axle Dump Truck bidder again this year. Their per hour price is identical to their price from last year.

Sun Up Enterprises was the low bidder for Pipeline Crew, Paving Crew and Alternate Items again this year. Their bid prices went up very slightly from last year (\$ 0.95 per hour for the Pipeline Crew and \$ 0.50 per hour for the Paving Crew).

Both firms are qualified, and we were satisfied with their work during the past year. I would recommend that you award the 2013/14 equipment/labor rental bids to Pioneer Blacktopping for the trucking, and to Sun Up Enterprises for the pipeline crew, paving crew, and alternate equipment/labor items.

Attached please find copies of the bid proposal forms from Pioneer Blacktopping and Sun Up Enterprises for your records. The originals are on file with the Village Clerk.

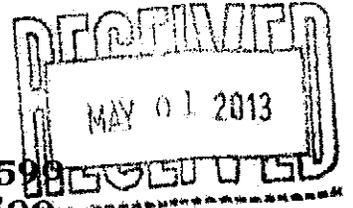

Please feel free to contact me if you have any questions regarding this matter.

Re: Equipment/Labor Bid  
2013/2014  
Due: 10:00 am Wednesday May 1, 2013  
At the Village Hall

Dear Sir,

In addition to the rates listed, we offer the following to the Village as we have in the past, showing our appreciation for the work we have performed over the many past years.

When the Village needs steel plates, if they are in our yard and not being used, there will be no charge. The same holds true for the trench boxes. Delivery and pick up of the above will be charged if needed.

If the equipment is used more than four consecutive days, the fifth day will be at no charge.

Thank you for the opportunity to quote this work.

Very truly yours,

SUN UP ENTERPRISES, INC.

President

Dear Mayor Alexander,

On behalf of the Dutchess County MS4 Coordination Committee (DCMS4CC) Dutchess County Soil and Water Conservation (DCSWCD) is requesting that each Municipality submit documentation of who they have chosen as their voting representative for the Committee. We do understand that your representative may not have changed from the past year, but we will be requesting this documentation annually to ensure that every municipality is represented at the meetings. Please also remember that each municipality will need to appoint an alternate voting member in the case that their primary voting member is not able to attend an MS4 meeting.

This documentation can be a letter from the Supervisor or Mayor, or can be in the form of a resolution from the Municipal Board. Please be advised that municipal consultants cannot be chosen to vote at the meetings.

Enclosed with this letter please also find the annual contribution invoice for the DCMS4CC. Please submit voting documentation and payment by July 1<sup>st</sup>, 2013.

If you are unsure of who is currently the primary voting member or alternate, or have any other questions, please contact Erin Sommerville at 845-677-8011 ext. 3.

Sincerely,

  
Erin Sommerville  
MS4 Coordinator
